CLS Series™

Designed for heavy-duty, everyday use.

Providing your customers with an enjoyable dining experience is priority one in the restaurant business, and the key to customer satisfaction is improved productivity. Motorola business two-way radios keep restaurant managers, wait and kitchen staff connected – and that’s what keeps the customers coming back.

Instant communication in Restaurants means:

- Improved employee efficiency and operations
- Reduced operational costs
- More responsive service
- Instant notification when orders are ready
- Increased overall service and satisfaction
- Faster table turnover to minimize customer wait times
- Quick coordination and response to emergencies
- Enhanced safety and security
- Seamless valet coordination
- Reduced monthly operating costs

- NO CONTRACTS
- NO MONTHLY FEES
- NO PER-CALL CHARGES
- NO INFRASTRUCTURED REQUIRED

Restaurant Challenges	Two-way Radio Solutions
The need for faster, more responsive service.	Instant communication enables faster table turnover.
Labor-intensive operation with a high job turnover.	Easy to use, with minimal learning curve for new employees.
Reducing operational costs.	More productivity, faster response to customer needs.
Mobile workforce. Get more done with less.	Employees stay connected to maximize job shift productivity.
Safety and security issues.	Security can swiftly respond to accidents or disturbances.
Customers want a more enjoyable experience.	Eliminate the noise and distraction of paging systems.
Establishment must be clean and well organized.	Call for immediate help with clean-ups, restocking, or tables.

Lightweight Durability

Easy for employees to carry and hold all day, yet built to withstand everyday use.

Business Exclusive Frequencies

Motorola business two-way radios operate on exclusive frequencies for clear signal without interference.

Long Lasting Battery Life

Rechargeable Lithium Ion battery provides up to 12 hours of battery life.

Convenient Charging

Multi-unit and single drop-in and chargers keep radios charged, ready, and centrally located.

Accessories

Motorola offers a full complement of accessories for customizing radios to suit user needs.

A Motorola business two-way radio can pay for itself in less than 2 months.

If each worker saves 5 minutes per hour, watch your savings multiply...

Hourly rate including benefits	Each radio pays for itself in...	Annual savings for 10 workers
\$8 per hour	35 days	\$14,000
\$12 per hour	24 days	\$21,000

Based on calculations using MSRP of \$189 for a two-way radio and on the hypothetical hourly wages of an employee or worker.
