- Fast coordination and response to emergencies
- Instant communication with the clubhouse
- Contacting golf pros and caddies in seconds
- Enhanced safety and security
- Reduced operational costs
- Increased overall service and satisfaction
- Reduced monthly operating costs

- NO CONTRACTS
- NO MONTHLY FEES
- NO PER-CALL CHARGES
- NO INFRASTRUCTURE REQUIRED

Golf and Event Challenges	Two-way Radio Solutions
Thinning margins, rising costs and competition.	Affordable and easy to use, with no per-call charges.
Difficulty attracting and retaining enough players to cover expenses.	Key personnel stay connected, quicker response to issues, operations and guest requests.
Safety and security concerns, dangers of lightning, flying balls, health issues.	Respond to first aid and security emergencies in less time.
Need to respond to player requests and course maintenance issues quickly.	Employees can respond to customer needs faster for a more enjoyable customer experience.
Technology plays a major role in golf course management.	Players at the practice range or on the course can instantly communicate with the clubhouse. Maintenance personnel can respond instantly to operational issues.

Digital One-to-One Calling

Allows you to call and talk privately with a specific user's radio. And the recipient's unit displays the caller's ID.

Digital One-to-Many Public Group Calling

Other DTR410 radios on the same group ID and channel hear communications – similar to analog radio operation.

Enhanced Coverage

Coverage extended buy 20%* – up to 300,000 sq. ft. or 25 floors. Audio stays clear everywhere you have coverage.

Enhanced Battery Life

Up to 45% longer operation on a single charge*

Accessories

Motorola offers a full complement of accessories for customizing radios to suit user needs.

A Motorola business two-way radio can pay for itself in less than 2 months.

If each employee saves 5 minutes per hour, watch your savings multiply...

Hourly rate including benefits	Each radio pays for itself in...	Annual savings for a staff of 10
\$8 per hour	35 days	\$14,000
\$12 per hour	24 days	\$21,000

Based on calculations using MSRP of \$189 for a two-way radio and on the hypothetical hourly wages of a retail employee.
