DTR Series™

Lightweight and comfortable to wear.

Enhancing efficiency and productivity are priorities in the grocery business. Economical and easy to use, Motorola business two-way radios help improve customer service by keeping the staff connected – everyone from store managers and cashiers, to receiving personnel and stock clerks.

Instant communication in Grocery means:

- Employees are more productive
- Reduced operational costs
- Increased customer service and satisfaction
- Immediate price checks
- Quick response to emergencies and clean-up
- Improved restocking and merchandise flow
- Enhanced safety and security
- Faster merchandise receiving and unloading
- Reduced monthly operating costs

- NO CONTRACTS
- NO MONTHLY FEES
- NO PER-CALL CHARGES
- NO INFRASTRUCTURE REQUIRED

Grocery Challenges	Two-way Radio Solutions
The need for faster, more responsive service.	Quickly contact clerks for price checks, or in-stock items.
Labor-intensive jobs with extensive hands-on work, and high employee turnover.	Lightweight, easy to use radios clip on the belt for hands-free portability.
Intense competition, deflationary pressures.	Employees can be more productive and responsive. Accelerates restocking and merchandise flow.
Thin profit margins.	Achieve better efficiency in purchasing and distribution.
Customers want a pleasant shopping experience.	Eliminate the noise and distraction of paging systems.
Establishment must be clean and well organized.	Call for immediate help with clean-ups and re-stocking.

Digital One-to-One Calling

Allows you to call and talk privately with a specific user's radio. And the recipient's unit displays the caller's ID.

Digital One-to-Many Public Group Calling

Other DTR410 radios on the same group ID and channel hear communications – similar to analog radio operation.

Enhanced Coverage

Coverage extended buy 20%* – up to 300,000 sq. ft. or 25 floors. Audio stays clear everywhere you have coverage.

Enhanced Battery Life

Up to 45% longer operation on a single charge*

Accessories

Motorola offers a full complement of accessories for customizing radios to suit user needs.

A Motorola business two-way radio can pay for itself in less than 2 months.

If each employee saves 5 minutes per hour, watch your savings multiply...

Hourly rate including benefits	Each radio pays for itself in...	Annual savings for a staff of 10
\$8 per hour	35 days	\$14,000
\$12 per hour	24 days	\$21,000

Based on calculations using MSRP of \$189 for a two-way radio and on the hypothetical hourly wages of a retail employee.
