- Enhanced safety and security
- Reduced operational costs
- Increased overall service and satisfaction
- Reduced monthly operating costs

- NO CONTRACTS
- NO MONTHLY FEES
- NO PER-CALL CHARGES
- NO INFRASTRUCTURE REQUIRED

Hospitality Challenges	Two-way Radio Solutions
Establishment must be clean and well organized.	Call for immediate help when clean-ups are needed.
Safety and security concerns.	Security can respond swiftly to accidents or disturbances.
Reducing operational costs.	Employees are more productive.
Mobile workforce. Get more done with less.	Stay connected. Communicate simultaneously with front desk, valet, room service, housekeeping, and wait staff.
Customers want a more enjoyable experience.	Eliminate the noise and distraction of paging systems.
Need for faster, more responsive service.	Instant communication enables faster room turnover, better response to guest requests, and spot-on valet coordination.

Digital One-to-One Calling

Allows you to call and talk privately with a specific user's radio. And the recipient's unit displays the caller's ID.

Digital One-to-Many Public Group Calling

Other DTR410 radios on the same group ID and channel hear communications – similar to analog radio operation.

Enhanced Coverage

Coverage extended buy 20%* – up to 300,000 sq. ft. or 25 floors. Audio stays clear everywhere you have coverage.

Enhanced Battery Life

Up to 45% longer operation on a single charge*

Accessories

Motorola offers a full complement of accessories for customizing radios to suit user needs.

A Motorola business two-way radio can pay for itself in less than 2 months.

If each employee saves 5 minutes per hour, watch your savings multiply...

Hourly rate including benefits	Each radio pays for itself in...	Annual savings for a staff of 10
\$8 per hour	35 days	\$14,000
\$12 per hour	24 days	\$21,000

Based on calculations using MSRP of \$189 for a two-way radio and on the hypothetical hourly wages of a retail employee.
