- Quick coordination and response to emergencies
- Enhanced safety and security
- Seamless valet coordination
- Reduced monthly operating costs

- NO CONTRACTS
- NO MONTHLY FEES
- NO PER-CALL CHARGES
- NO INFRASTRUCTURE REQUIRED

Restaurant Challenges	Two-way Radio Solutions
The need for faster, more responsive service.	Instant communication enables faster table turnover.
Labor-intensive operation with a high job turnover.	Easy to use, with minimal learning curve for new employees.
Reducing operational costs.	More productivity, faster response to customer needs.
Mobile workforce. Get more done with less.	Employees stay connected to minimize job shift productivity.
Safety and security issues.	Security can swiftly respond to accidents or disturbances.
Customers want a more enjoyable experience.	Eliminate the noise and distraction of paging systems.
Establishment must be clean and well organized.	Call for immediate help with clean-ups, restocking, or tables.

Digital One-to-One Calling

Allows you to call and talk privately with a specific user's radio. And the recipient's unit displays the caller's ID.

Digital One-to-Many Public Group Calling

All other DTR410 radios on the same group ID and channel hear communications – similar to analog radio operation.

Enhanced Coverage

Coverage extended buy 20%* – up to 300,000 sq. ft. or 25 floors. Audio stays clear everywhere you have coverage.

Enhanced Battery Life

Up to 45% longer operation on a single charge.*

Accessories

Motorola offers a full complement of accessories for customizing radios to suit user needs.

A Motorola business two-way radio can pay for itself in less than 2 months.

If each worker saves 5 minutes per hour, watch your savings multiply...

Hourly rate including benefits	Each radio pays for itself in...	Annual savings for 10 workers
\$8 per hour	35 days	\$14,000
\$12 per hour	24 days	\$21,000

Based on calculations using MSRP of \$189 for a two-way radio and on the hypothetical hourly wages of an employee or worker.
